Hello [COER News](#) readers

20 May 2015

This is a quick update on COER's recent activities and events that you may wish to get involved in.

4th International Best Practice Competition:

At the moment we are busy planning for the [4th International Best Practice Competition](#). This year it will be held in Manila, Philippines courtesy of the [Development Academy of the Philippines](#) and our sponsors the [Abu Dhabi Chamber of Commerce](#) (who were the hosts in 2014).

If you have not been to the Philippines before this is your chance for a once in a life-time experience. I have been lucky enough to experience the Philippines on numerous occasions and always enjoy the warmth of Filipino hospitality often accompanied with lots of food, laughter and singing! Watch it is [More Fun in the Philippines](#) video to get a taster.

The date of the Competition Event in the Philippines has still to be announced. It will be held in November but we are waiting for some further information before confirming the exact date. To submit your Best Practice entry please visit <http://www.bestpracticecompetition.com/entry-form/> where you can download an entry form. **The First Call for entries closes on 7 August.**

Last year we had 52 entries with 32 qualifying to the Competition Event. Entries were received from 12 countries. This year we would like to do even better!

The winner of the International Best Practice Competition in 2014 was **Al Jazeera International Catering LLC, UAE** with a best practice titled '*SPEARS Methodology for Employee Empowerment and Inculcating Excellence*'. [Watch the video of their best practice.](#)
