

EXPERT WEBINAR

LEADERSHIP & EMPLOYEE EMPOWERMENT

SHARING KNOWLEDGE WITH DR ROZANA HUQ

Our expert will present a series of three Webinars around the theme of **Leadership and Employee Empowerment** based on the framework of EFQM.

We will investigate **Innovation, Creativity, Talent Retention** and what this implies for Leaders as well as the critical **Leadership skills** needed.

These webinars will focus on:

1. What is **Employee Empowerment** and why is it important as an organisational strategy?
2. What are the **critical leadership skills** needed to support a culture of employee empowerment?
3. **Shift to Individualism** the importance of understanding psychological empowerment and self-empowerment.

When: **12th April**
3rd May
28th June

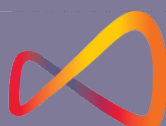

Where: **Online Platform**
